

Transverse momentum at work in high-energy scattering experiments

Andrea Signori

APS April meeting
Washington DC
Jan. 29th

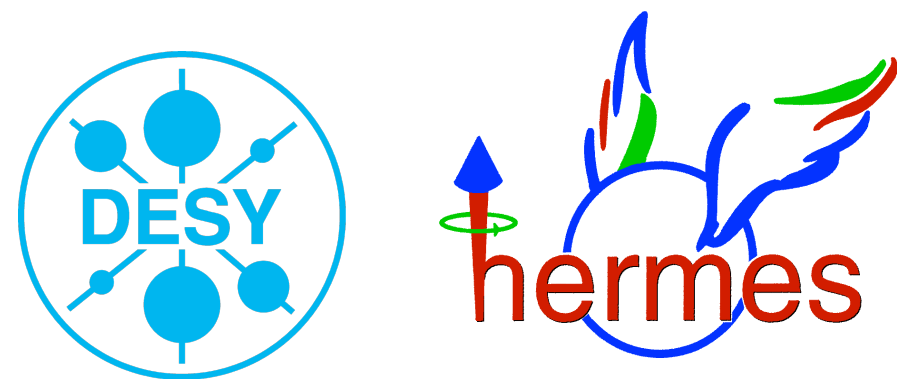

About the speaker

Nov. 2016 - present | postdoc
Jefferson Lab (VA, USA)

2012 - 2016 | PhD candidate
Nikhef and Vrije Universiteit
Amsterdam (NL)

2012 | Summer intern
DESY - Hermes collaboration (GE)

2012 | Master student
“Hadron structure and QCD” group
Pavia U. (IT)
